A day in the life

What words/references did you listen to?

- Read,
- News,
- lucky man,
- made the great
- blew his mind
- saw a film
- won the war
- woke up
- found
- downstairs
- drank

What was the song about?

This song is about a normal day in the life of a man. He reads the notice, saw the photograph, saw a film.

How did you feel?

I felt sadness, because I realized that I just follow the routine, I read and listen about the people who made greatest things while I just try to do simple things.

Was it difficult to understand?

A little bit, because there are some words that I don't understand.
